FRE 408(a) PROTECTED SETTLEMENT DISCUSSIONS

Eric,

This isn't possible. My client has developed a sophisticated analysis for these purposes which not only include a basic current asset search but also looks at the Defendant's earning power over a 20 year period, the strength of our evidence when correlated to the subscriber household, whether the Defendant is sophisticated within the realm of IP (you'd be surprised how many IP lawyers end up as Defendants themselves), as well as a host of other factors.

Best Regards,
